The International Conference
on IP+Optical Network (iPOP2008)
Exhibition and Conference

- GUIDE FOR EXHIBITORS -

You are invited to exhibit at the international conference on IP+Optical network (iPOP2008), June 5-6, 2008, at the NTT Musashino R&D Center in Tokyo, Japan. The conference is intended to share among the industry and the academia communities, the knowledge, new findings, and experience on the state-of-the-art of "IP and Optical Networking technologies."

Within the theme we intend to demonstrate GMPLS network equipment (IP routers SONET/SDH XCs, Optical/Photonic XCs), GMPLS protocol test equipment, GMPLS network operation support tools, optical switches, and other related issues.

The iPOP2008 anticipates a draw of over 200 attendees, made up of network operators, service providers, and equipment vendors.

Join us and other industry leaders in the IP+Optical network technologies and leading source of industry information for GMPLS technologies.

For booth reservation and all other requests, please contact iPOP 2008

Exhibition Secretaries (ipop2008-exhibition@pilab.jp).

Exhibit space is limited and will be committed on a first-come first-serve basis.
