Call for Presentations to be Announced!

RESTON, VA -

Isocore will soon be announcing CFP (Call for Presentations) for SDN/MPLS 2016.

Keep a look out for this year's overarching themes along with cutting-edge topics. Presentations from network equipment vendors, service providers, the research community, government agencies, and enterprise users will be solicited.

The CFP is available at: http://www.isocore.com/2016/cfp.htm
For further information regarding the conference, please visit: www.isocore.com/2016

Stay posted for further information!
